RIGHTS TO ACCESS

This College is committed to ensuring that people with a disability, including those with learning difficulties, are treated fairly. If you have a disability, please let us know what you need so that we can make all reasonable adjustments to help you succeed.

EQUALITY

The Isle of Wight College is committed to an Equality and Diversity Policy that is intended to be an integral part of College life. The aim is to create an environment in which people treat each other with mutual respect regardless of ethnicity, skin colour, gender, marital status, religion, disability, sexual orientation or age. This brochure is also available in other formats.
